

Were you able to enter your credit card information?

Yes

There may be a daily limit on your card that you are attempting to exceed.

Most debit cards have a daily limit of \$3,000. Try any of the following:

- Call the card issuer and request that the limit be temporarily lifted so you can make the payment
- Make multiple payments that do not exceed your daily limit
- Pay by check

No

Are you on a tablet, phone, or computer?

Computer
