

Jeffrey A. Thompson, PT, DPT, ScD, OCS, Cert. MDT
Dean, School of Health Professions
Associate Professor

Franciscan Missionaries of Our Lady University
5414 Brittany Drive, Baton Rouge, LA 70809
Office: (225) 526-1674
Jeffrey.Thomson@FranU.edu

EDUCATION

<i>Doctor of Science</i>	2022
Texas Tech University, Lubbock, TX Dissertation: <i>Innovative musculoskeletal ultrasound methodology to measure cervical intervertebral disc height is reliable and valid against MRI</i>	
<i>Doctor of Physical Therapy</i>	2006
Temple University, Philadelphia, PA Focus: <i>Medical Screening, Imaging, Pharmacology, Differential Diagnosis and Efficacy in Clinical Decision Making</i>	
<i>Masters of Physical Therapy</i>	1998
Eastern Washington University, Cheney, WA Thesis: <i>Effects of Exercise Type on the Upper and Lower Rectus Abdominus Muscles: A Comparative EMG Study</i>	
<i>Bachelor of Science, Biology, Minor Psychology</i>	1994
Eastern Washington University, Cheney, WA Option: <i>Human Biology; Minor: Psychology</i>	
<i>Undergraduate Studies</i>	1990
University of Washington, Seattle, WA <i>General Studies</i>	

PROFESSIONAL EXPERIENCE

Dean, School of Health Professions	January 2024 – Present
Establishes strategic priorities for the School of Health Professions with both undergraduate and graduate programs. The programs include Doctor of Physical Therapy, Masters of Medical Science in Physician Assistant, Masters of Science in Nutritional Sciences, Bachelors of Science in Medical Laboratory Science, Bachelors of Science in Respiratory Therapy, Associate of Science in Radiologic Technology, and Associate of science in Physical Therapy Assistant.	

Duties

- School of Health Profession's overall academic program quality, assessment of curriculum and instruction
- Fostering faculty research and scholarship

- Promote faculty and student service and servant leadership
- Budgeting and fiscal management, grants, fundraising
- New program assessment and development
- Recruitment of faculty, staff and enrollment of students

Accomplishments (1st – 9 months)

- Successful mentoring and oversight of the Masters of Physician Assistant program probation accreditation response resulting in approval to enroll a new cohort in January 2025
- Contributor to writing the University's SACSCOC 5th Year Accreditation Report
- Successful guidance of the Physical Therapist Assistant program written self-study report and submission resulting in an early scheduling of the reviewers site visit with minimal request for onsite documents
- Facilitating the preparations for the Doctor of Physical Therapy program self-study report for a summer 2025 submission and a fall 2025 site visit
- Review of all SHP program (7) annual assessment (Taskstream) with feedback for successful assessment with feedback for continuous quality improvements
- Accomplished transitioning the Masters in Physician Assistant program didactic and clinical calendars to a recognized university academic calendar for SACSCOC compliance
- Successfully advocated for the planning and budgeting of School of Health Professions Innovation and Research Laboratory for faculty and students to be built in the Health Professions Building renovations (expected date of completion: Spring 2025)
- Currently investigating the expansion of School of Health Profession program offerings (Occupational Therapy, Occupational Therapy Assistant, Optometry Assistant, Optometry, Doctor of Science in Clinical Practice, Pharmacy Assistant Certification, Doctor of Pharmacy)

Doctor of Physical Therapy, Part-Time Core Faculty

January 2024 – Present

Part Time, 12-month core faculty in the Doctor of Physical Therapy program with primary responsibilities in teaching, research and service. This position allows for the DPT program to have the breadth and depth of faculty to meet the program needs. Additionally, it affords the program the depth to meet and exceed the accreditation requirements of 50% of faculty be physical therapists and have an earned academic degree (i.e., PhD, EdD, ScD).

Duties

- Teaching in the didactic and/or clinical phase of the program
- Scholarship of at least one dedicated line of inquiry with at least one dissemination every two years
- Service to the Doctor of Physical Therapy program and regular attendance of faculty meeting
- Be a voting member of the Doctor of Physical Therapy program faculty

Accomplishments

- Faculty search for DPT program resulting in successful hiring of new faculty member for AY2024-25
- Average student evaluation of teaching for clinical and didactic courses at or greater than 3.5 out of 4.0
- All End of Course report outcomes in 2023 -2024 met or exceeded benchmarks of acceptable or ideal
- Presented at local and national conferences in 2023 – 2024 (see “PEER REVIEW” below)
- Serve as mentor to the DPT Clinical Education Committee, new Director and Assistant Director of Clinical Education
- Voting member of the DPT Executive Committee and the DPT faculty Committee for curriculum, policy and procedure updates, and student matriculation to clinic and graduation

Assistant Dean, School of Health Professions

August – December 2023

Full-Time 12-month administrative faculty position in School of Health Professions with primary responsibilities in supporting the office of the Dean. These duties are in addition being a faculty member and Director of Clinical Education in the Doctor of Physical Therapy program described below. I will then assume the Dean position in January 2024.

Duties

- Assist the Acting Dean in daily administrative duties managing the School of Health Professions programs, faculty and staff
- Represent the Deans office at events as determined by the Acting Dean (Orientations, White Coat, Pinning, etc.)
- Attend and participate in meeting with university Deans and administration
- Onboard to the Dean position technical/clerical processes and duties
- Review and manage endowments submissions
- Acting Director of Clinical Education for the Masters in Physician Assistant program
- Onboarding the new Director of Clinical Education for the Masters in Physician Assistant program

Accomplishments

- Oversight of ceremonies including DPT and PA program White Coat, Winter Pinning and Awards Ceremony, welcoming new students and opening prayer for students at program orientations
- Oversight of multiple endowments
- Hired of multiple faculty members in the Masters of Physician Assistant program
- Successful placements of Masters in Physician Assistant Program including affiliation agreements and preceptor agreements which kept student progressing towards a timely graduation
- Successful onboarding of two new Masters in Physician Assistant program Director of Clinical Education leading to all students matriculating to a spring 2024 graduation and successful placements of the 2025 cohort

Director of Clinical Education, Doctor of Physical Therapy Program

2017 – 2023

(Associate Professor, 2019 – Present; Assistant Professor, 2010 – 2019)
Franciscan Missionaries of Our Lady University, Baton Rouge, LA

Full-time, 12-month faculty member in the School of Health Professions, Doctor of Physical Therapy Program, with administrative development and oversight of the Clinical Education, including acquisition, development and maintenance of clinical sites, clinical faculty, as well as academic program development, academic faculty mentoring, and student advising. Rank of Assistant Professor 2017 – 2019 and Associate Professor 2020 – Present.

Duties

- Develops and implements the clinical education for the Doctor of Physical Therapy Program, including the Clinical Education Manual, acquisition and maintenance of all affiliation agreements, evaluates quality of clinical sites, educates and mentors of clinical instructors.
- Responsible for preparing students for integrated clinical education and terminal education experiences, including use of various assessment tool, personal and professional expectations and policies and procedures during the clinical phases of their education.
- Responsible for the development, assignment, and management of integrated clinical education and terminal clinical education experiences for all students.
- Mentor academic faculty and staff to providing diverse learners with the knowledge and skills necessary to deliver safe, equitable and evidence-based patient-centered care at the highest level of physical therapy services.

- Develop and coordinates trans-curricular case-based learning activities for students translating evidence based didactic knowledge and laboratory skills into clinical practice.
- Collaboration with community stakeholders to identify needs and priorities in both the didactic and clinical education phases of the program.
- Provides academic advising to physical therapy students relative to didactic, clinical and scholarly project progression.
- Designs and implements curricular initiatives, supporting educational innovation and instruction methodology, with a continuous quality approach to evaluation of program effectiveness.
- Serves as a role model for scholarship in clinical or educational research including evidence-based guidelines, quality improvement, and other projects, and dissemination of results through publications and presentations.
- Participates in community groups and organizations as related to the College Mission and participates in Committee work at the Program, School, University, and State level

Accomplishments

- Acquisition, development and maintenance of clinical education sites and contracts that has surpassed 190 contracts with over two thousand clinical sites throughout the United States and into Europe
- Developed program documents, including the Doctor of Physical Therapy Clinical Education Manual, Doctor of Physical Therapy Student Policy and Procedure Handbook, Doctor of Physical Therapy Faculty Policy and Procedure Manual, reviewed, revised and update DPT Lab Safety Manual and the Doctor of Physical Therapy II Student Clinical Competency Checklist Booklet
- Successfully wrote to all clinical education Standards and Elements required for the Doctor of Physical Therapy Programs candidacy without any citation or request for further clarification by the Commission on Accreditation in Physical Therapy Education (CAPTE) during application review and approval in 2018
- Acquired 100% of the program's affiliation agreements meeting CAPTE candidacy requirements for clinical education including number of sites, diversity of practice settings, and clinical instructor requirements prior to application for candidacy submission in 2017
- Increased quality clinical education locations to over 3,500 throughout Louisiana, nationwide and internationally for student with a 100% student rating of entry level and on time graduations
- Maximized the total number, settings and assessed quality of clinical education sites to meet the program's needs, including the addition of annually recurring commitments to take Franciscan Missionaries of Our Lady University DPT students
- Continuous assessments of students learning outcomes for DPT program quality improvement

Assistant Professor, Department of Physical Therapy
Louisiana State University Health Sciences Center, New Orleans, LA

2010 – 2017

Full-time, 12-month faculty member of the Department of Physical Therapy, responsible for developing new courses, assisting in the areas of curriculum assessment, student advising and annual student assessment for matriculation to 2nd, 3rd years and graduation. Rank of Assistant Professor.

Duties & Accomplishments

- Faculty Clinical Practice Committee Chair, Awards Committee Chair, Promotion Committees Chair, Curriculum Committee Member, Clinical Education Site Visitor,
- Prepares for instruction that reflects stated course student learning outcome and constructs classroom materials that support the goals of the course and program learning outcomes

- Prepares thoroughly for each instructional hour; instruct and guides the class in an efficient and effective manner
- Advises students through constructive feedback, coaching, remediation, and engagement
- Maintains accurate records of student work and attendance and posts grades in a timely manner
- Develops and implements curriculum and instructional interventions
- Actively participates in professional organizations, scholarly activities and university committees
- Assists in developing student learning outcomes, utilizes peer review and coaching, and provided classroom, laboratory and clinical instruction
- Participates in the admissions process of the department of physical therapy, and provides counseling to students involved in clinical incidents and develops appropriate remediation plan and disciplinary actions
- Participates in local, state and national professional organizations
- Presents at local, state, and national professional conferences
- Present peer review research at local, state, and national venues
- Participates in community groups and organizations

Physical Therapist, Louisiana State Penitentiary Angola

2010 – 2015

Louisiana State Patrol and Louisiana State University Health Science Center, LA

- Provided physical Therapy services to inmates at Angola State Penitentiary on weekend throughout the year in Acute, Rehab, and outpatient type settings.

Co-Owner, Developer and Instructor, Continuing Education Seminars

2008 – 2013

Scientific Heuristics, LLC, Natchez, MS/Metairie, LA

- Provided evidence based continuing education courses to physical therapist with the mission of “Translating Evidence into Practice” for clinicians through the country.

Director, Physical Medicine and Rehabilitation Services

2008 – 2010

Natchez Regional Medical Center, Natchez, MS

- Provided physical therapy, managed staff and rehabilitation services in the acute inpatient and outpatient hospital settings, as well as oversight of billing and audit procedures and activities.

Physical Therapist, Staff

2002 – 2008

Natchez Regional Medical Center, Natchez, MS

- Provides physical therapy services for 179 bed hospital in both inpatient acute, rehab, geriatric psychiatric, intensive care, and general outpatient services.

Physical Therapy Clinic Coordinator and Senior Physical Therapist

2000 – 2002

Professional Rehabilitation Hospital, Ferriday, LA

- Managed physical therapy services with 10 staff members in a variety of settings that included outpatient, home health, and skilled nursing.

Physical Therapist, Staff
Professional Rehabilitation Hospital, Ferriday, LA

1998 – 2000

- Provided physical therapy services in a variety of settings that included outpatient, home health, skilled nursing facilities and long-term acute rehabilitation.

PEER REVIEW PUBLICATIONS & PRESENTATIONS

Current Research Topics Under Investigation

Cervical intervertebral disc health
Musculoskeletal ultrasound
Reliability and validity of musculoskeletal ultrasound measurements

Studies in Progress and Studies submitted for Publication

1999 – 2012
1996 – 1998

ACADEMIC SERVICE

University Service

Franciscan Missionaries of Our Lady University

- *Advisory Board Member*, Franciscan Center for Professional Development, 2024-present
- *Partnership and Collaboration Workgroup Leader*, Franciscan Center for Professional Development, 2024-present
- *Member*, Gerontology Champions Workgroup, Sister Agnes Marie Fitzsimons Endowment, 2023-present
- *Member*, University Team for Global Aging Studies Course Development with Escola Superior de Saude de Santa Maria, Programa de Fisioterapia e Reitores, Porto Portugal, 6/2019-present
- *Member & Reviewer*, Institutional Review Board, 2017-Present
- *Member*, University Search Committee for Vice President of Enrollment Management, 2023
- *Chairperson*, University Faculty Promotion in Rank Committee, 2022
- *Member*, University Sabbatical Committee, 2022
- *Assessment Evaluator*, Core Advisory Council, Fall 2021 and Spring 2022
- *Member*, Faculty Promotion in Rank Committee Member, 2021
- *Opening Prayer*, University Stand Down Meeting, Spring 2021
- *Member*, University Emergency Response Safety Team, 2019-2023
- *Member*, Enrollment Management Sub-Committee on International Initiative, 2019-2021
- *Member*, Promotions in Rank Policy Revision Committee, Spring 2019
- *Member*, Faculty Senate Executive Board, 2018-2020
- *Member*, Academic Review Council, 2018-2020
- *Presenter*, Joyfulness of Spirit Core Values, University Stand Down Meeting, Spring 2018
- *Clinical Contract Procurer and Co-course Developer*, Biology Department, Human Medicine Tract, BIOL2135: Medical/Surgical Observation course, Spring: 2018, 2019, 2020
- *Member*, Pharmacy Faculty Search Committee, Spring 2018

Louisiana State University

- *Judge*, Phi Zeta Honor Society Research Day, School of Veterinary Medicine, 2012-2017
- *Member*, Musculoskeletal Scientific Research Consortium, Louisiana State University system (LSU Health Sciences Center School of Medicine, LSU Colleges of Agriculture and Engineering, LSU School of Veterinary Medicine and Pennington Research Center) Performs both academic and industrial investigations and promotes multi-disciplinary collaborations for support of early-stage research, technologies and capability platforms. 2011-2017

School Service

School of Health Professions, Franciscan Missionaries of Our Lady University

- *Ex Officio Member*, Clinical Program Faculty Committees of the of Health Professions (7), 2024-present
- *Chairperson*, School of Health Professions Search Committee, Administrative Assistants (Deans Office and Physician Assistant Program), 2023
- *Member*, Physician Assistant Search Committee, Director of Clinical Education, 2023
- *Member*, Physician Assistant Search Committee, Program Director, 2023
- *Member*, Physician Assistant Search Committee, multiple faculty members (2), 2023

- *Member*, Master's in Science, Nutritional Sciences Program Faculty/DCE Search Committee, 2021
- *Member*, Pharmacology Faculty Search Committee, Schools of Health Professions and School of Nursing, Spring 2018
- *Member*, Biology Department, Human Medicine Biology Tract Advisory Panel, A&S 2018-Present
- *Member*, Promotions Committee, School of Health Professions, 2017

School of Allied Health Professions, Louisiana State University Health Sciences Center – New Orleans

- *Delegate*, Faculty Assembly Committee, 2014-2017
- *Member*, Faculty Practice Committee (previously Clinics Committee), 2012-2017
- *Member*, Emerging Technologies Committee, 2011-2016
- *Member*, Honors Committee, 2010-2017

Department/Program:

Doctor of Physical Therapy Program, Franciscan Missionaries of Our Lady University

- *Ex Officio Member*, Executive Committee, Doctor of Physical Therapy Program, 2024-present
- *Member*, Clinical Education Committee, Doctor of Physical Therapy Program 2024-present
- *Mentor*, New faculty teaching for DPTH 7321 Foundations of Clinical Sciences I & II lectures and labs 2019-2020 and 2023-2024
- *Member*, Faculty Search Committee, Department of Physical Therapy Lab Instructor, Spring 2022
- *Member*, Research Committee, Doctor of Physical Therapy Program, 2019-present
- *Chairperson and 2nd Reader*, Annual Student Research Projects (3-4 projects per year), Doctor of Physical Therapy Program 2019 - Present
- *Chairperson*, Doctor of Physical Therapy Clinical Education Committee, 2019-2023
- *Chairperson*, Faculty Search Committee for program Research Director, Summer 2019
- *Chair*, Faculty Search Committee for program orthopedic expert, Summer 2019
- *Member*, DPT Program Advisory Committee, 2019-Present
- *Chairperson*, DPT Program Advisory Panel, Clinical Education Sub-Committee, 2019-2023
- *Member*, Physical Therapy Department Lab Assistant Search Committee, Spring 2019
- *Member*, Physical Therapy Assistant Program Faculty Search Committee, Spring 2019
- *Advisor*, Doctor of Physical Therapy for class of 2021 students (10) 2018-2024
- *Member*, Admissions Committee, Doctor of Physical Therapy Program, 2018-2023
- *Presenter*, Physical Therapy Department Informational Sessions/Marketing on site and at multiple state universities, 2018-2023
- *Advisor*, Pre-Doctor of Physical Therapy students, 2017-2018
- *Member*, Executive Committee, 2017-2024
- *Member*, Core Faculty Committee, 2017-Present
- *Member*, Faculty Search Committee for admissions chair and neurologic expert, Summer 2017
- *Member*, Neurologic Faculty Search Committee, Fall 2017

Department of Physical Therapy, Louisiana State University Health Science Center - New Orleans

- *Member*, Academic Faculty Search Committee, 2017
- *Member*, Clinic Director Faculty Search Committee, 2015
- *Chairperson*, Task Force on Electronic Testing Integration and Training, 2013-2017
- *Physical Therapist and Coordinator*, Faculty Practice Clinic, 2012-2017
- *Chairperson*, Taskforce for Therapeutic Interventions, and Administration, 2012-2013
- *Member*, Taskforce, Integrated Case Application Labs, Pharmacology and Radiology, 2012-2013
- *Chairperson*, DPT II Promotions Committee, 2011-2017

- *Class Liaison*, Doctor of Physical Therapy for Graduating Cohort of 2014, 2011-2014
- *Academic Advisor*, DPT I, II & III Students, approximately 20 students a year, 2010-2017
- *Member*, DPT I, Promotions Committee, 2010-2014
- *Member*, Curriculum Committee, 2010-2017
- *Physical Therapist*, PRN Services, Louisiana State Penitentiary, Angola, 2010-2015
- *Member*, DPT III, Promotions Committee, 2010-2012
- *Member*, DPT II, Promotions Committee, 2010-2011

PROFESSIONAL ORGANIZATION AND COMMUNITY SERVICE

- *Accreditation Site Review Member*, Commission on Accreditation in Physical Therapy Education (CAPTE), trained and appointment, 2023
- *Member*, Security Team for First Baptist Church Zachary, 09/2019-present
- *Speaker/Tour Guide*, Physical Therapy as a Profession, high school/middle school students 2018-2020
- *Member*, State of Louisiana Medical Review Panel Physical Therapy Expert, 2010-2021
 - Law Office of Berry P. Vice presiding, Houma, LA. 2016-2021
 - Willman Law Firm presiding, New Orleans, LA. 2010-2017
- *Consultant and Expert Witness*, Adams and Reese, LLP, New Orleans, LA, 2014-2016
- *Governmental Affairs District Chair*, Louisiana Physical Therapy Association Legislative Committee District #7 – New Orleans, LA 2011-2014
- *Member/Volunteer*, St. Francis Xavier Men's Club, School/Church Fund Raising and Service Organization, Metairie, LA 2013-2017
- *Volunteer*, American Heart Association, Heart Walk Wellness Event, Greater New Orleans Area. 2011-2017
- *Volunteer*, Health and Wellness Event, LSUHSC, New Orleans, LA. 2010-2017
- *Clinical Practice Faculty Mentor*, Department of Physical Therapy LSUHSC-NO, 2014-2017
- *Faculty Development and Mentor*, Department of Physical Therapy LSUHSC-NO, 2013-2017
- *Consultant and Mentor*, Natchez Rehab & Sports Specialists, Katie Woodard, MPT, ATC, Owner, Consultation and mentoring on differential diagnosis and treatment strategies 100 hrs., 2009
- *Consultant and Mentor*, Passman-Haimson Orthopedic Sports & Rehabilitation Clinic, Marsha Passman, PT, Consultant for patient differential diagnosis and treatment strategies, 12 hrs., 7/2008
- *Consultant and Mentor*, Fairbanks Orthopedic Center & Sports Medicine, Michael Wimberly, MPT, Cert. MDT, Review of theory, application of The McKenzie Method including lab sessions, 24 hrs., 2008
- *Presenter*, Health Quest, Exercise and Stretching, Natchez, MS. 2006-2008

LICENSURE AND CERTIFICATIONS

Licensures

- Louisiana State Physical Therapy License, 1998 – present
- Mississippi State Physical Therapy License, 1999 – 2019

Certifications & Training

- Board Certified Clinical Specialist in Orthopedic Physical Therapy, American Physical Therapy Association; Certification and Recertification Dates: 2001, 2011, 2021 through 2031
- Certified in Mechanical Diagnosis and Therapy, McKenzie Institute, USA, 2008-present
- Certified in Applying the Quality Matters Rubric, 2018

TEACHING EXPERIENCE

Franciscan Missionaries of Our Lady University – Baton Rouge, LA

Fall Semester

- Course Developer/Mentor/Coordinator – DPTH 7280 – Advanced Clinical Practice in Orthopedics I, Asynchronous online studies of lumbar spine pathoanatomy, evaluation, assessment, conservative and surgical interventions with application to case studies. Fall 2020 - 2024
- *Course Developer and Coordinator* – DPTH 7792 Professional Practice II, Full-time clinical education experiences in a variety of practice setting, continuum of care, Fall 2020 to 2024
- *Course Developer* – DPTH Orthopedic Physical Therapy I, Specific physical therapy evaluation and intervention of selected orthopedic conditions and diagnoses through a combination of lecture and laboratory experiences. Content is sequenced segmentally through the body focusing on the head, neck, and upper quarter. Fall 2019
- *Co-Course Developer* – DPTH Physical Therapy Interventions, Introduction to the basic intervention techniques and modalities utilized in contemporary physical therapy practice, focusing on theory, evidence, and application. Fall 2019
- *Course Co-Developer and Co-Instructor* – DPTH 7411 – Structural and Functional Anatomy I, Surface Anatomy/Palpation and Functional Anatomy/Biomechanics of the Cervical Spine, Upper Extremity (Shoulder Girdle, Upper Arm, Elbow, Forearm, Wrist and Hand). Fall 2018
- *Course Developer and Coordinator Instructor* – DPTH 7321 Foundations of Clinical Sciences I, Models of Physical Therapy Examination, Assessment and Management Applied to the Head, Neck and Upper Extremities, Principles of Clinical Decision Making from Initial Data Collection to Segmental Evaluation. Fall 2018
- *Course Co-Developer, Instructor and Practical Case Examiner* – DPTH 7961 – Physical Therapy Seminar I, Developed Case Application Based Learning Experiences (CABLEs), Simulation Lab Experiences, Integrated Clinical Education Experiences (ICEE) for 31 Student Placements and Practical Examination Case Developer and Examiner. Fall 2018

Spring Semester 2019 to present

- *Course Coordinator*, DPTH 7234 Physical Therapy Administration, Studies in the concepts of administration, management structure and function of physical therapy services, continuous quality improvement, insurance, billing, insurance and budgeting. Spring 2023-2025
- *Course Developer and Coordinator* – DPTH 7793 Professional Practice III, Terminal full-time clinical education experiences in a variety of practice setting, continuum of care and summing in entry level standards of practice, Spring 2021 to 2024
- *Course Developer/Mentor/Coordinator* – DPTH 7280 – Advanced Clinical Practice in Orthopedics II, Asynchronous online studies of cervical spine pathoanatomy, evaluation, assessment, conservative and surgical interventions with application to case studies. Fall 2020-2021
- *Course Developer* – DPTH Orthopedic Physical Therapy II, Specific physical therapy evaluation and intervention of selected orthopedic conditions and diagnoses through a combination of lecture and laboratory experiences. Content is sequenced segmentally through the body focusing on the back, pelvis, and lower quarter. Spring 2020
- *Course Co-Developer and Co-Instructor* – DPTH 7412 – Structural and Functional Anatomy II, Surface Anatomy/Palpation and Functional Anatomy/Biomechanics of the Thoracic, Lumbar and Sacral Spine, Pelvis, and Lower Extremity (Hip, Thigh, Knee, Lower Leg Ankle and Foot), Spring 2019
- *Course Developer and Coordinator Instructor* – DPTH 7322 Foundations of Clinical Sciences II, Models of Physical Therapy Examination, Assessment and Management Applied to the Trunk and Lower

Extremities, Principles of Clinical Decision Making From Initial Data Collection to Segmental Evaluation. Spring 2019

- *Course Co-Developer, Instructor and Practical Case Examiner – DPTH 7962 – Physical Therapy Seminar II, Developed Case Application Based Learning Experiences (CABLEs), Simulation Lab Experiences, Integrated Clinical Education Experiences (ICEE) with 31 Student Placements, and Practical Case Developer and Examiner. Spring 2019*

Summer Semester 2018 to Present

- *Course Developer and Coordinator – DPTH 7791 Professional Practice I, Initial full-time clinical education experiences in a variety of practice setting, across the continuum of care and applying standards of practice, Summer 2020 to 2023*
- *Mentor Faculty for Course Development, Instruction, and Lab Assistant - Doctor of Physical Therapy Program, DPTH 7324 Foundational Science of Human Movement, DPTH 7223 Foundations of Clinical Sciences III. Summer 2019*
- *Lab Instructor/Assistant - Physical Therapy Assistant Program Summer, Doctor of Physical Therapy Program. Summer 2018*

Louisiana State University Health Sciences Center – New Orleans, LA

Fall Semester 2010-2016

- *Course Coordinator & Director, PHTH 7261 Diagnosis and Management of Musculoskeletal Dysfunction I, Examination, Assessment and Treatment of the Cervical Region and Upper Quadrant Including Manual Therapy*
- *Course Coordinator & Director, PHTH 7233 Therapeutic Interventions, General Concepts, Applied Science of Principles in Exercise, Techniques, and Modalities Interventions*
- *Course Coordinator & Director, PHTH 7131 Movement Science I, Lecture and Lab Instructor for Biomechanics of the Human Body*
- *Faculty Research Advisor, PHTH 7305 Evidence Based Practice V: Research Analyses*
- *Guest Lecturer, PHTH 7203 Evidence Based Practice III: Clinical Analysis*
- *Lab Instructor, Clinical Instructor for Patient Learning Experiences, Lab Skills Examiner - PHTH 7101 Evidence Based Practice I, Clinical Analysis*
- *Coordinator and Group Facilitator - DPT II Integrated Case Application Labs, Medically Complex*
- *Coordinator and Group Facilitator - DPT I Integrated Case Application Labs, Intermediate Complex Cases Doctor of Physical Therapy program, School of Allied Health Professions, LSUHSC-NO*
- *Examiner - DPT II Final Comprehensive Practical Examination*
- *Examiner - DPT I Final Comprehensive Practical Examination, Doctor of Physical Therapy program, School of Allied Health Professions, LSUHSC-NO*

Spring Semester 2011-2017

- *Course Coordinator & Director - PHTH 7262 Diagnosis and Management of Musculoskeletal Dysfunction II, Examination, Assessment and Treatment of the Thoracic, Lumbar Region and Lower Quadrant Including Manual Therapy*
- *Course Coordinator & Director - PHTH 7400 Practicum in Client and Peer Teaching (2017)*
- *Course Coordinator & Director - PHTH 7392 Administrative Skills in Physical Therapy II, Doctor of Physical Therapy Program, School of Allied Health Professions, LSUHSC-NO*
- *Course Coordinator & Director - PHTH 7300 Prevention, Nutrition and Wellness, (2011-2015)*
- *Faculty Research Advisor - PHTH 7306 Evidence Based Practice VI: Capstone Completion and Defense*
- *Faculty Research Advisor - PHTH 7204 Evidence Based Practice IV: Research Analyses*

- *Project Mentor* - PHTH 7400 Practicum in Client and Peer Teaching (2011-2013)
- *Coordinator & Group Facilitator* - Integrated Case Application Labs, Medically Complex Cases
- *Coordinator & Group Facilitator* - Integrated Case Application Labs, Basic Patient Cases
- *Examiner* - DPT II Final Comprehensive Practical Examination
- *Examiner* - DPT I Final Comprehensive Practical Examination
- *Content Expert & Panelist* - PHTH 7214 Professional Practice IV, Allocation of Healthcare, (2011-2013)
- *Lecturer, Lab Instructor & Clinical Instructor* - PHTH 7102 Evidence Based Practice II, Doctor of Physical Therapy Program, School of Allied Health Professions, LSUHSC-NO (2011)
- *Lecturer, Lab Instructor for Normal and Abnormal Gait Analysis* - PHTH 7132 Movement Science II (2011)
- *Skills Examiner for Upper and Lower Neurological Testing* - PHTH 7141 Neurosciences I, Clinical Analysis, (2011, 2012, 2015)

Summer Semester 2011-2017

- *Course Coordinator & Director* - PHTH 7130 Foundational Science of Movement, Introduction to Joint Kinematics and Kinetics
- *Clinical Site Assessor/Visitor for DPT I Students Internships* - PHTH 7280 Clinical Experience
- *Clinical Site Assessor/Visitor for DPT II Students Internships* - PHTH 7381 Clinical Internship I

PROFESSIONAL DEVELOPMENT

- SACSCOC 2024 Annual Meeting, Austin Convention Center, Austin, TX., 12/2024
- Bone Health & Disease – Innovative Education Services, Online, 5.0 Cr. hrs., Summer 2024
- Tuberculosis PT – Innovative Education Services, Online, 5.0 Cr. hrs., Summer 2024
- CAPTE (Recorded 2023) – Onsite Reviewer Training, APTA Online, 6.00 Cr. Hrs., Summer 2024
- APTA CPI 3.0 – PT DCE Training, APTA, Online Learning Center, 1.5 Cr. Hrs., Summer 2023
- Online Jurisprudence Continuing Education, Louisiana Physical Therapy Board, 2 Cr. Hrs., Summer 2023
- Ethics – Louisiana Physical Therapy, Innovative Education Services, Online, 2.0 Cr. hrs., Summer 2023
- FranU Research Day 2023, Franciscan Missionaries of Our Lady University, 2.0 Cr. hrs., Spring 2023
- American Academy of Orthopaedic Manual Physical Therapists National Conference, San Diego, CA, 13.75 Cr. Hrs., 10/2022
- Clinical Project 3 (dissertation), HPPT 7002, Texas Tech University Health Sciences Center, 2 Cr. Hrs., Spring Semester 2021, Summer 2021, Fall 2021, Spring, 2022
- Clinical Project Presentation (dissertation), HPPT 7004, Texas Tech University Health Sciences Center, 1 Cr. Hr., Spring 2022
- Professionalism Module 1: Introduction to Professionalism, American Physical Therapy Association, 2 Cr. Hrs., 2021
- Clinical Project 2 (dissertation), HPPT 7001, Texas Tech University Health Sciences Center, 3 Cr. Hrs. (9 Total Cr. Hrs.), Spring 2021, Summer 2021, Fall 2021
- Education Leadership Conference, APTA, Atlanta Georgia, 14 Cr. Hrs., Fall 2021
- Ethics – Louisiana Physical Therapy, Innovative Education Seminars, 2 Cr. Hrs., 2020
- APTA Louisiana – “The good, bad and ugly of clinical research” By Phillip Page, PhD, PT, ATC, LAT, CSCS, FACSMT, .01 CEU, Spring Baton Rouge District Meeting, 2021
- Clinical Project, HPPT 7000, Texas Tech University Health Sciences Center, 3 Cr. Hrs., Fall Semester 2020

- Advanced Clinical Practice of the Thoracic, Ribs and TOS Disorders, HPPT 6334, Texas Tech University Health Sciences Center, 3 Cr. Hrs., Summer Semester 2020
- Advanced Clinical Practice of the Upper Cervical Spine, HPPT 6327, Texas Tech University Health Sciences Center, 3 Cr. Hrs., Spring Semester 2020
- Advanced Clinical Practice of the Cervical Spine, HPPT 6333, Texas Tech University Health Sciences Center, 3 Cr. Hrs., Spring Semester 2020
- International Academy of Orthopedic Medicine – United States, Clinical Examination and Manual Therapy of Lumbosacral Spine, Live Course, 14.5 CEUs, Houston, TX. In Progress/Scheduled 10/2019
- International Academy of Orthopedic Medicine – United States, Diagnosis and Management of the Lumbosacral Spine, Online Course, 8.0 CEUs, In Progress 10/2019
- Advanced Clinical Practice of the Lumbosacral Disorders, HPPT 6335, Texas Tech University Health Sciences Center, 3 Cr. Hrs., Fall Semester 2019
- Clinical Studies in Anatomy; A Lab Course, HPPT 6311, Texas Tech University Health Sciences Center, 3 Cr. Hrs. Summer Semester 2019
- International Academy of Orthopedic Medicine – United States, Clinical Examination and Manual Therapy of Lower Cervical Spine, Live Course, 14.5 CEUs, Allen, TX. 5/2019
- International Academy of Orthopedic Medicine – United States, Diagnosis and Management of the Lower Cervical Spine, Online Course, 8.0 CEUs, 5/2019
- Radiological Anatomy, HPPT 6317, Texas Tech University Health Sciences Center, 3 Cr. Hrs. Spring Semester 2019
- Education Leadership Conference, American Physical Therapy Association, Jacksonville, FL. ACAPT Open Forum: Hot Topics in PT Education and Leadership, The Geneva R. Johnson Forum on Innovation in Physical Therapy Education: Key Note Address Leadership in a Rapidly Changing World, Fostering Partnerships: Innovative Bridges Between Didactic and Clinical Education Through the use of Guideline Based Mobile Apps, Teaching Mindfulness: Impact of Innovative Simulation Activates, Addressing Student Wellness through the Implementation of Learning Communities, Clinical Education Special Interest Group, Innovation Among the Deceased – anatomy Education Revisited, Oxford Debate: Following the Nursing Lead: Can Simulation Replace Clinical Education Time?, Help for the New DCE: Where Do I Start?, How Academic Leadership Drive Excellence in Online Education? A Panel Discussion. Platform Sessions 1-5 10//2018
