NOTES:					
<p>(1) The Office of Financial Aid utilizes the budgets to determine how much financial aid may be offered. The total financial aid offered from <u>all</u> sources cannot exceed the cost of attendance (COA) or financial need. COA minus Student Aid Index (SAI) = Need.</p> <p>(2) The estimated annual cost is based on full-time enrollment (12 hours).</p> <p>(3) Financial aid awards may be adjusted based on actual enrollment.</p> <p>(4) Students who have unusual circumstances may request to have an adjustment. With appropriate documentation, we may be able to adjust the cost to allow for an extenuating personal circumstance.</p> <p>(5) Computer Allowance: If you have recently purchased a computer, you may request that your COA be adjusted based on that expense.</p> <p>(6) Dependent Care Allowance: Students with dependents may request a dependent care allowance adjustment of \$5064. Submit proof of child care expenses for each child.</p> <p>* Off Campus Food & Housing will be calculated based on the month duration.</p>
