

Student Fellowship Opportunity Laboratory Assistant Biology Stipend (LABS) Applications Due January 21, 2026

\$2000 stipend awards are available for exceptional students selected to work as laboratory assistants at Franciscan Missionaries of Our Lady University

Program Requirements:

- Attend a specified number of laboratory skills training sessions (TBD, based on experience).
- Perform ~100 hours per semester of laboratory duties (cleaning, stocking, maintenance, etc.).
- Regularly meet with (and report to) assigned faculty member and/or laboratory coordinator.
- Participate in lab safety training and strictly adhere to lab safety rules and disposal procedures.

Eligibility – Students may apply for an award if they meet the following criteria:

- Undergraduate or Post-Baccalaureate Franciscan Missionaries of Our Lady University student(s).
- Registered for classes during the current (Spring 2026) semester.
- Enrollment in or completion of CHEM 1315L, BIOL 1315L/BIOL1415 or BIOL 2325L (or equivalent).
